

Patient Request for Room Type

During admission or pre-admission you will be asked to make a request for room accommodation.

Your choices are:

- Standard Ward (three or more beds in the room)
- Semi-Private (two beds in the room) or
- Private/Birthing Room (one bed in the room).

You will be required to sign the request and provide your insurance information. Your credit card information will also be requested for balances not covered by your insurance. **It is your responsibility to confirm your accommodation coverage with your insurance company.**

Daily Rates

- Standard Ward – OHIP covers the entire cost
- Semi-Private - \$235/day
- Private/Birthing Room - \$275/day

Every effort will be made to assign you to the accommodation you request, however, you or your insurance company will be charged based on your request and assignment.

As a service to our patients, we will submit a claim form to your insurance company. If your insurance company does not pay 100%, you will be invoiced for the difference owed.
